Those members who are interested in attending a course should advise their club Chief Training Officer or Club Administrator. Members should not register direct with the Branch Office. The club Chief Training Officer should also be proactive in selecting candidates to attend upcoming courses.

- **Step 1**
Clubs are to enter interested members into Surfguard by creating an Assessment Request for the course / date – this will ensure that eligible members with the appropriate pre-requisites are selected for the course. Do not submit the request at this stage.
- **Step 2**
Once you have created an Assessment Request in Surfguard with eligible members you should email the names and total number to the Branch Office (awards@surflifesavingsydney.com.au)
If the registration is after the close date or if the course is full the Branch Office will advise the club of the situation.
- **Step 3**
Once the Branch Office confirms that your names/numbers have been accepted press the submit button in Surfguard.

The Club should send the course circular to registered candidates so that they have details of the course and its requirements. The Club is required to print out 2 copies of the Form 14 for this assessment from Surfguard and send it to the course with the candidates.
