- Spinal Boards, Head Blocks and Support equipment

Please note that this course does require lifting and water participation so please bring your swimming costume, a towel, sun screen, hat etc

Course Duration

Course duration will be approximately 3 - 4 hours and consists of a theory, practical and scenario exercises. The practical exercises will be in the water. Most courses will be conducted on Saturdays or Sundays. Candidates **must** be prepared to attend both the theory and skills area of the course.

Registration Process : *(as per SLSS SOP 2-2-1 SLSA Advanced Awards Procedures)*

1. Those members who are interested in attending the course should advise their Club Chief Training Officer or Club Administrator. (Members should not register direct with the Branch Office). The Club Chief Training Officer/Club Captain should also be proactive in selecting candidates to attend this course.
2. Clubs are to enter interested members into Surfguard (before the closing date) by creating an Assessment Request for the course/date – this will ensure that eligible members with the appropriate pre-requisites are selected for the course. Do not submit the request at this stage.

3. Once the club has created an Assessment Request in Surfguard with eligible members, the Club is required to email the names and total number of candidates from their Club to the Branch Office awards@surflifesavingsydney.com.au
If the registration is after the close date or if the course is full the Branch Office will advise the club of the situation.
4. Once the Branch Office confirms that your members names/numbers have been accepted, the Club then clicks **submit** in Surfguard for the assessment request.
5. The Club should send the course circular to registered candidates so that they have details of the course and its requirements.

Please specify which course date the member is being registered for.

Candidate Course Preparation :

- All learning materials will be provided by the facilitator at the course.
- All candidates will require a pen and paper and suitable clothing for water component of course.
- Dinner is not provided at the course, therefore we would recommend candidates bring a snack along. Tea/Coffee will be provided.

Candidates are required prior to the commencement of the course to make yourself familiar with the following documents as they contain reference to policies that relate to you as a course participant. These documents are available from the Surf Life Saving NSW website www.surflifesaving.com.au

- SLS NSW Academy Handbook
