Dear Club Captain,

This season the Easter Monday Public Holiday and Anzac Day will fall on the same day, the 25th of April. NSW Industrial Relations has not yet confirmed whether there will be a substitute Public Holiday for Anzac Day.

Therefore, on you Lifesaving Service Agreements you will note that the last day of patrolling is the 25th of April, although the date is subject to change and the last day of patrol will take place on the Anzac Day Public Holiday (if one is confirmed).

Please consider this when putting together your patrol rosters, if confirmation has not yet been made from SLSNSW.

If you have any questions please contact your Branch Director of Lifesaving.

Kind Regards

John Restuccia // Director of Lifesaving
