

SLSA Member Recognition Framework

Surf Life Saving Australia values the contribution made to the organisation by its members. Previously, there have been a range of awards that are available for clubs to use to recognise their members. These have been consolidated into a member recognition framework, to make it easier for clubs to apply for the appropriate awards for their members.

	10 Years	15 Years	20 Years	25 Years	30 Years	40 Years	50 Years	60 Years	70 Years	75 Years
