SUBJECT: Support Operations Group Application Forms Season 2010-2011

Each season it is a requirement of all members wishing to participate in SLSS SOG service/s (Surfcom, RWC or ORB) to complete a Support Operations Group Application form.

These forms allow the Branch to ensure current service members receive relevant information during the season and are also required to be forwarded to SLS NSW for endorsement.

The Branch office will also process in Surfguard your dual membership of a service for the current 2011-2012 season to enable the respective service the ability to record in Surfguard members patrol hour information during the season.

All members are reminded that this form is '**additional**' to your Club Membership Application form which you must complete with your club and pay your membership fees to your Club. Membership and financial status with your club for the current season is of the utmost priority.

Members are reminded that if you participate in more than one Support Operations Group you must complete one form per service.

It would be appreciated if these forms could be returned to the **Branch Office before COB Thursday 2nd September 2010 by fax 90190720 or mailed to PO Box 6006 Malabar 2036.**

Please do not hesitate in contacting myself if you have any questions.
